MSMP - Tickets Consolidated Q&A SOL POTO-2004-R-0028 (SOL 1)						
Area of Concern	#	Question	Answer			
	74	As part of the response to the Ticket Processing System - #1, is the bidder expected to provide application software that will reside on wireless handheld devices, MDC's or remove devices, even if procurement of these devices occurs under Solicitation #6? If so, how will software/hardware compatibility be assured?	Bidder is required to provide the application software for handheld devices to support ticketing activity. The handheld devices will be procured with the Microsoft operating system.			
Functionality						
	94	Which Functional list do you consider the basis for creating the "Functional Overview" - the "Functions Overview Diagram and	The Service Overview is provided to give the vendors a view of the end goals, but Exhibit 2 provides the details that should be used for the			
Solicitation		list" at the end of the 1.0 Service Overview?	solicitation.			
Integration	95	Data Migration: How many data records will be required to be migrated?	We process over 2 million tickets annually, and the system has been in place for about 19 years.
